ISPAD Allan Drash Clinical Fellowship ($5,000 USD)

This is the Allan Drash Clinical Fellowship for ISPAD members, MD and non MD, below age 45 and is currently for 5,000 USD. It is intended for spending time (approximately 6 weeks) at an ISPAD center of excellence to learn for example programmatic issues, clinical care, setting up a program or learning how to set up a clinical study. The receiving ISPAD member needs to send a letter of support for the applicant, indicating what that individual will be doing in their program. The applicant needs to state the reasons for choosing that center, and a description of their objectives and goals. The funded applicant will be expected to submit a report of their activities within 6 months of completion of fellowship.

Applications to include:

- Applicant CV, current place of employment and position
- The aims/learning objectives of the visit to the centre of excellence and outline of the planned activities (max 1 page)
- The expected outcome and benefits, particularly to the applicants own centre
- A letter of recommendation from their own centre
- A letter of support from the host center (research director/ISPAD member in charge at the nominated centre of excellence)
- Proposed dates of the visiting fellowship
- Acknowledgement that remaining funds necessary for visit are available
ISPAD Research Fellowship ($25,000 USD)

This grant is for **ISPAD members below age 40**, who wish to pursue a career in diabetes related research. It is designed to cover expenses for a 6 month's (or longer) visit in an ISPAD member’s Centre of Excellence. The applicant needs to submit a scientific project which can be - at least partially accomplished in the given timeframe. A letter of support from the member in the host center should be included.

We recently have increased the funding for this competitive fellowship to $25,000 USD. The recipient will give credit to ISPAD on any publication arising from any work done during the fellowship and will be expected to submit a report of fellowship research to ISPAD within one year of fellowship completion.
